

What is Recycling??

Recycling is the process of collecting and processing materials that would otherwise be thrown away as trash and turning them into new products. Recycling can benefit your community and the environment.

Benefits of Recycling

- Reduces the amount of waste sent to landfills and incinerators;
- Conserves natural resources such as timber, water, and minerals;
- Prevents pollution by reducing the need to collect new raw materials;
- Saves energy;
- Reduces greenhouse gas emissions that contribute to global climate change;
- Helps sustain the environment for future generations;

**Remember to
Reduce, Reuse, Recycle**

Why Recycle??

An average American generates nearly 1 ton of trash a year, but all that waste doesn't have to go to the landfill. We want you to recycle your bottles, cans, paper and more! Rumpke offers a convenient curbside recycling program in East Cleveland, giving customers a means to reduce the amount of trash sent to the landfill.

RUMPKE is the official waste removal and recycling service provider for The City of East Cleveland.

Preparing for Pick Up

We encourage you to place your items at the curb or collection the evening prior to your pick-up day. **All trash and Recycling must be placed at the curb before 7 a.m. on your collection day.**

Bulky Items

Rumpke will collect bulky household items such as beds, furniture, appliances and white goods, from the curb on your regular trash collection day.

Please Call Rumpke 24-hours in advance to schedule a bulk item pick-up.

Hazardous Materials

Rumpke is not legally permitted to collect any items deemed hazardous, including tires and automotive batteries. Please contact the Cuyahoga County Solid Waste District at 216-443-3749 for more information about handling these items.

RECYCLING FREE BAG PROGRAM

Recycling is easy with the bag program. Each residence can place a recycling bag at the curb for recycling. The recycling bags are available for pick-up at the East Cleveland Service Garage

1610 Eddy Road

Residents can also use their own bags to recycle, a clear bag is preferred but the small blue grocery store bags are also acceptable.

Please place them on the side of your cans **do not mix recyclables with your regular trash**

Place them about 2 ft away from your cans and/or trash bags.
