

EAST CLEVELAND WARD 3 REPORT: August 2017

East Cleveland City Service Department Supervisor Antonio Marshall & Ward 3 Council V.P Ernest L Smith cutting down trees on Graham for the great people of East Cleveland. This tree has been an eye sore for 15 years

A few of months ago we, the people of Elderwood, asked our new Ward 3 City Councilman Ernest L Smith to ask our new Mayor to handle the problem of the eye sore garage that has been falling down for years. Looking so bad that a man stood behind it and tried to attack the elder next to it. It's been an eye sore to the community for years.. Complaints to our past Mayor and Council fell on death ears.

The People's Councilman, Ernest L Smith, Ward 3, V.P 216-925-0957
