---

**WHEREAS**, the City of East Cleveland's Mayor has been authorized to contract for a new video (fixed and mobile) traffic enforcement program; and

**WHEREAS**, main streets are primarily targeted for paving, repair and striping efforts due to the limited resources of the City; and

**WHEREAS**, it is anticipated that, in addition to the primary safety objectives of a new video (fixed and mobile) traffic enforcement program, its operation will bring in auxiliary revenues for the City of East of Cleveland.

**NOW, THEREFORE, BE IT RESOLVED** by the Council of the City of East Cleveland, Ohio, four-fifths (4/5) concurring:

**SECTION 1.** That this Council here accepts and approves the dedication of ten percent (10%) of any proceeds from the new video (fixed and mobile) traffic enforcement for the paving, repair, and striping of the East Cleveland side streets so long as the City's Certificate of Estimated Resources does not go below \$10.5 Million.

**SECTION 2.** That is found and determined that all deliberations of this Council and any of its committees relating to the passage of this Resolution were adopted in an open meeting of this Council, in compliance with all legal requirements.

**SECTION 3.** This Resolution is hereby declared to be an emergency measure necessary for the public safety and welfare to allow for expeditious implementation of said improvements and provided it receives the affirmative vote of four-fifths (4/5) of all the members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.
