

East Cleveland Ward 3 People's Report: August 2017

Wood and two Garbage bags Dumped in the driveway of 14730 Shaw Avenue

This Grand Piano was dumped in the middle of Euclid. We thank our great Service Department for removing it off of Euclid Avenue and away from our children and School youth

This Fire Hydrant on the corner of Northfield and Hayden leaked for two years, freezing the water in the winter creating icy unsafe road conditions. This Fire Hydrant is no longer leaking.
