UPDATES

Light post replacements to resume in 2019. Currently, there are no light posts or light bulbs in stock.

Trapping for groundhogs in MRNA district began in April 8th. If you spot groundhogs, please contact the Council Clerk at (216) 681-5020 or call me at (216) 205-6762..

Service Department:
The leaf-vac is still being repaired, so leaf pickup has been stalled. Please call the Council Clerk to report dumping or garbage pickup needed. For demo debris and tire pick up, please call Councilman Tim Austin at (931) 302-5342.

Discussion about proposed bus garage on Phillips Avenue.

Legislation passed to open a drug-abuse treatment center on Euclid at shopping plaza near Windermere bus depot.

The potholes on Emily have been partially filled in. The contractor's equipment malfunctioned during the

job and he will complete the job once his equipment has been repaired.

Hoop houses located within Ward 2 are being taken down and removed. The hoop house located on Eddy Road has been removed already.

The Summer Lawn Cutting Program: If you wish to participate in the lawn cutting program for the Summer '19, please call Trevell Harp, Director of NOAH, at (216) 338-1137.

YOU Youth Opportunities Unlimited: If you have any youth looking for summer employment, please call Trevell Harp, Director of NOAH, at (216) 338-1137.

Abandoned Vehicles:
The City of East Cleveland' Police Department has begun placing green stickers on vehicles parked on the street for excessive periods of time. The owner of vehicle will three (3) days to contact city hall and have the sticker and vehicle returned.

Buford Forte, long time East Cleveland resident passed away.

Repair of DAM #2 near "Grandpappy Hill" was mandated by the State of Ohio and will commence this spring, at no cost to the City of East Cleveland.

HR Department:

Robert Davis was appointed to the city's Fiscal Committee.

There is proposed legislation to reduce the speed limit on Euclid Avenue from 35 MPH to 25 MPH.

Traffic signal improvement will begin. This project is a result of a traffic study completed by the Ohio Department of Transportation and has mandated that lights be removed in some areas of Ward 2. Traffic signal improvements will commence along Euclid Avenue, dates TBD.

Next year, 2020, Euclid Avenue is slated to be repaired & repaved.

Rosalind Avenue is slated to be repaved this summer '19.

HR Department:
Currently, there are ten (10) candidates taking the Civil Service Exam for Fire and four (4) candidates for Police.

Walgreen's located on Euclid plans to streamline their retail operation and provide only pharmaceutical services to East Cleveland residents. They are currently searching for a new location within East Cleveland to relocated their services.

University Hospitals has donated a defibrillator to the East Cleveland Fire Department.
