

# Coit Road Farmer's Market/ Stephanie Tubbs Jones Health Ctr

The American Cancer Society is part of a Health Equity Project that is supplying food boxes at several venues in the East Cleveland area over the upcoming weeks. We invite you to share the flyers promoting our food distribution to your clients, co-workers and constituents. Feel free to share this with your team and members as you see fit. If you have any questions, you can reach out to Tiffany or Lauren (contact information below).
